

Service Provider Code of Conduct

1. We commit to curating relevant and personalized information that matters to you and your business.
2. We commit to creating a marketing culture whose purpose is to serve our customers and to solve their problems.
3. We will not clog your inbox with irrelevant, overly aggressive sales promotion.
4. We will ensure that our unsubscribe button is in plain and clear sight.
5. We will not bombard you with meeting requests to do demos.
6. When you request to not be contacted again, we will ensure that message is disseminated and acted upon by relevant marketing and sales teams.
